aggressive today, causing substantial reverse in every quarter of the list except among rails. Sales approximated 150.000 shares. Shorts put out fresh lines at the opening of today's stock market, but bull pools continued their activities in various specialties. United Statas Food Products, which was thrown into bank-ruptey yesterday, recorded a further deciline of 11s hoints to 2%, a new low record. Coopers, tobaccos, low priced motors and rails lost large fractions. Guif States Steel and New York Alebrakes was 2 points on rumors of an other cash distribution, Wells Fargo also rising 1%, points. Exchange on London made a new high with demand bills 34 20%. Steady liquidations of minor specialties semphasized the irregularity of the first hour. Food Products, International States with points and several of the cheaper motors and steels reacted sharply Rails were the only sustaining features of that period. St. Paul preferred, Chicago Motors (copper not two points, and several of the cheaper of that period. St. Paul preferred, Chicago Rothers and New Orleans. Texas & Mexican Petroleum Pennsylvania Petroleum Pennsylvania Studebaker were again taken in hand. The open rate for call loans held at five per cent but private offerings were made at 4% per cent.

The general list showed more vitality after midday, the persistent absorption of the large number of the lower priced states. St. Paul preferred was carried up 2% to a new high level for the year and Chandler and Mexican Petroleum were also in brisk demand.

Norway is one of the few countries of Europe which balance their budgets annually. She has a long and enviable credit record, which has been sustained by the maintenance of a sound currency, backed by a good gold reserve and the prompt annual payment of sinking funds for the retirement of her loans.

These bonds were originally issued in London, and are now being offered to investors of the United States on a very attractive basis. Payment in Sterling Kroner or Francs Price \$52.00 per £20 (\$96.50) Average maturity yield 7.65 per cent.

SUGAR REPORT DENIED.

MENOMINEE, Mich., Feb 8.—General Manager G. W. McCormick of the Menominee River Sugar company, who is president of the Eastern Beet Sugar Manufacturers' association, commenting on press reports that the Cuban case sugar interests offer to pay the domestic beet sugar companies a bonus of 40 cents per hundred pounds on their sales of sugar for 1921, as a compromise against an additional duty on sugar, imports declared that "this is just another sample of the country-wide propaganda being circulated by foreign sugar interests". He said no such offer had been made to any of the best sugar manufacturers in this section, and added that he did not believe such an offer would be made in good faith by the owners of foreign sugars.
